

Greetings Trail Friends!

Our next Lodi Valley Chapter IATA Trail Improvement event is **Saturday, July 23rd, at 9:00 am.**

We will meet at the Groves/Pertzborn trailhead on County Hwy J near Lovering Road at 9:00 a.m. <https://goo.gl/maps/12XwYkcVgnJ2>

From there we will walk this beautiful segment and upgrade the yellow blazes all the way to Bilkey Road. We will be repainting faded blazes and replacing plastic blazes with bright yellow paint.

Help out for as little or as long as you like.

All tools will be provided - just bring your muscles!

Bring work gloves and water, wear hefty shoes, long sleeves, & bring an energetic attitude.

**Questions? Contact Bill at 843-3926 or [billpatti@charter.net](mailto:billpatti@charter.net)**
